OUR MISSION

KP Direct LLC is your number one source for all finishing product needs. We work closely with design firms, property management, property owners, and contractors to provide products for any project. Our main goal is to extinguish the hassle of multiple vendors and provide a turnkey procurement source to order and deliver any finishing product for all your projects. Our domestic and overseas relationships will ensure that you are paying less and saving time with each order placed.

We strive to show each client how well we match up to the industry and appreciate the chance to prove ourselves and the products that we provide. Above all, KP Direct looks forward to building meaningful relationships while earning the trust of our clients through hard work and exceptional customer service. Given the opportunity, our KP Direct team will demonstrate just how much of a positive impact, our services and products will have on your next new build or renovation project.

OUR ATTITUDES, VALUES, AND KNOWLEDGE
ALIGN WITH A MISSION TO BE THE "PRO" IN
PRODUCTIVITY FOR THE PRODUCT FINISHING
NEEDS OF OUR CUSTOMERS.
